Quality Electric Company

YOUR TEXTILE CABLE

2022 EDITION

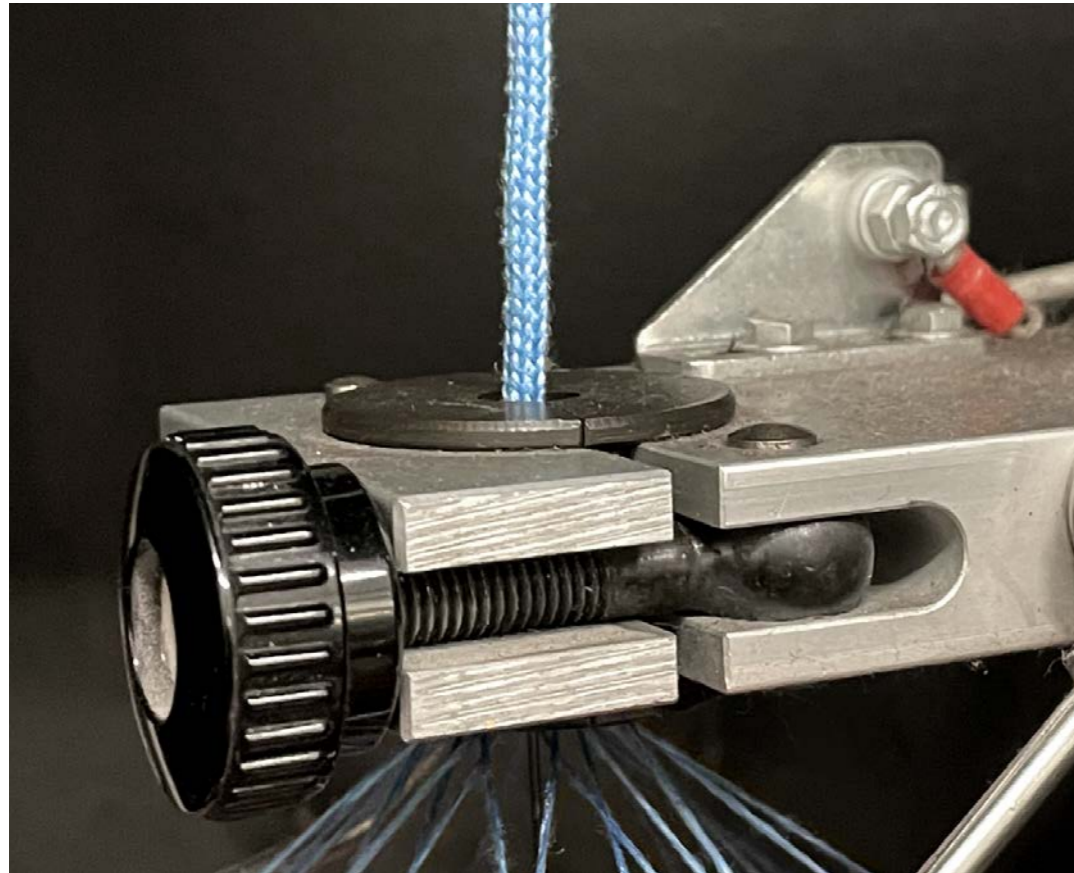

Merlotti Sas, specializzata nella produzione di cavi elettrici, ha costruito il proprio successo sull'affidabilità e sulla qualità dei propri prodotti **MADE IN ITALY**.

L'Azienda si caratterizza per la dinamicità e flessibilità nella produzione a seconda delle esigenze del Cliente e del mercato. La continua ricerca di nuovi materiali e la condivisione di idee con il proprio network, garantisce un elevato standard di professionalità.

L'apertura ai mercati esteri, inoltre, ha reso possibile la crescita del know-how interno e ha garantito una sempre maggiore qualità.

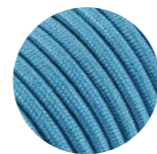

Merlotti Sas (www.merlotticavi.it), specialized and active for over 50 years in the production of electric cables, has built its success on the reliability and quality of its products. The company is characterized by dynamism and flexibility to diversify their production according to customer needs and market trends. The continuous search for new materials, the continuous upgrading of machinery, and sharing of goals with its partners, means that our company is a symbol of assurance and professionalism; all strictly "Made in Italy". Last but not least, the opening of foreign markets has also made possible a comparison with different and new reality and standards that have helped the company know-how to improve, update and assure a higher quality of product.

IDEAS VALUE

“Made in Italy” riassume il risultato di idee e valori reali, frutto di esperienza, qualità e professionalità. È la garanzia di un prodotto particolare e unico nel suo genere che racchiude in se creatività, innovazione e ricerca.

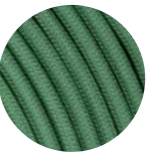

“Made in Italy” is the result of ideas, values, experience, quality and professionalism. It’s the guarantee of a unique and particular product because it combines quality, innovation and research.

RESEARCH INNOVATION

La continua ricerca di novità ma soprattutto la volontà e la passione nel realizzarle, hanno sempre caratterizzato il nostro lavoro quotidiano riuscendo ad anticipare e soddisfare le sempre più esigenti richieste del mercato nazionale ed internazionale.

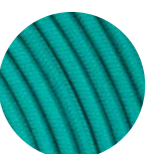

The continuous search of innovation and especially the will and the passion to achieve them, are the hallmark of our daily work, being able to anticipate and meet the increasingly demanding needs of the domestic and international market.

SAFETY

La ricerca di nuovi materiali, lo studio e lo sviluppo di nuovi prodotti abbinato al costante monitoraggio e rispetto delle normative vigenti, sono garanzia di sicurezza e fiducia per i nostri clienti.

The research of new materials, the study and the development of new products together with constant monitoring and compliance with standards and regulations are a guarantee of safety and trust for our customers.

CONDIZIONI DI VENDITA

TERM OF SALE

Il presente Listino si intende dal netto di IVA e può essere modificato in qualsiasi momento senza preavviso da Merlotti Sas. L'importo minimo fatturabile è pari a € 150,00. IVA e trasporto esclusi. La merce, anche se Franco Destino, viaggia a rischio e pericolo del Committente. Non si accettano reclami trascorsi 8 giorni dal ricevimento della merce. La merce si intende Franco Destino per importi superiori a € 500,00 IVA esclusa. In caso contrario verranno addebitate le spese di trasporto in fattura nella misura fissa di € 15,00, per le isole € 20,00, IVA esclusa. I quantitativi ordinati di ogni singolo articolo dovranno essere adeguati ai nostri imballi standard; in caso contrario verranno da noi arrotondati. Gli ordini vengono assunti senza impegno per quanto riguarda il termine di consegna. L'evasione degli stessi è subordinata al reperimento delle materie prima da parte di Merlotti Sas. In mancanza di queste sarà nostra facoltà annullare gli ordini in qualsiasi momento, o evaderli parzialmente. Non si accettano resi di materiale se non autorizzati. Eventuali resi, prima di essere accreditati o sostituiti, dovranno essere controllati da Merlotti Sas. Ad oggi, tutti gli articoli ritornati sono risultati non difettosi, ma guastati dall'utilizzatore. Le bobine vengono regolarmente vendute al Committente con emissione di fatture soggette a IVA. Le stesse dovranno esserci restituite in porto franco con BDA con causale reso per accredito. Sarà nostra premura emettere regolare nota di accredito se le bobine saranno giudicate in buono stato e non presentino avarie tali da non poter essere riutilizzate. Il mancato pagamento entro la data stabilita in fattura ci autorizza a sospendere qualsiasi consegna. In caso di ritardato pagamento verranno conteggiati gli interessi al tasso ufficiale di sconto. Per quanto non espressamente indicato, valgono le condizioni generali "ANIE" per la fornitura di cavi e conduttori elettrici isolati.

This Price List does not include VAT and it can be modified at any time without notice by Merlotti Sas. The minimum order value is € 150.00. VAT and freight cost excluded. The goods, even if DDP, travels at the risk of the Buyer. We do not accept claims after 8 days from receipt of goods. Shipping charges abroad will be calculated separately on each invoice. The quantities of each item must be adapted to our standard packages; otherwise they will be rounded up. Orders are taken with no commitment regarding the delivery date. The processing of the orders is subject to the retrieval of raw materials by Merlotti Sas. Otherwise, will be our right to cancel orders at any time, or evading them only in part. We do not accept returns of material unless authorized. Any returning goods, before being credited or replaced, must be checked by Merlotti Sas. Up to today, all the returned goods were not faulty, but damaged by the user. The spools are regularly sold to the customer with invoices subject to VAT. We will issue the credit note if the spools will be judged in good condition and still usable after they have been sent back to us by the customer on DDP freight. Failure to pay by the due date on the invoice, authorize us to suspend any deliveries. In case of delayed payment, interest will be charged at the bank rate. Everything not specifically stated must refer to the "ANIE" general terms for the supply of cables and insulated electrical conductors.
